Pending irrigation projects in Karnataka

94. SHRI H.K. JAVARE GOWDA: Will the Minister of WATER RESOURCES be pleased to state:

(a) whether it is a fact that the incomplete irrigation projects which have already swallowed huge resources bedevil the irrigation in the country;

(b) if so, the amount required for completion of the projects in the country;

(c) the steps Government propose to take to mobilise funds and the time required to complete them; and

(d) the details of incomplete irrigation projects in Karnataka, the amount and time required to complete the projects in the State?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRIMATI BIJOYA CHAKRAVARTY): (a) and (b) As per information available 159 Major, 242 Medium and 89 Extension, Renovation and Modernisation (ERM) irrigation projects have spilled over into Tenth Plan spillover cost of Rs. 71062 crore.

(c) Irrigation being a State subject, irrigation projects are planned, investigated, formulated, implemented and funded by the State Governments out of their own resources and as per their priorities. The Central Government has been providing Central Loan Assistance under Accelerated Irrigation Benefits Programme for the States to complete Major/Medium irrigation projects since 1996-97.

(d) The details of incomplete irrigation projects of Karnataka alongwith spillover cost and the time required for their completion are given in the Statement enclosed.
